Speaking Topic

Turn Your Trials Into Triumphs

In this inspiring and thought-provoking talk, Nate reveals the secrets of how to break free from limited thinking and go beyond challenges to achieve victory.

Nate provides real-world and actionable tips on facing and overcoming challenges with communication, leadership development, relationships, team performance, strategy and organizational culture that can be leveraged to enhance both your professional and personal life.

In his highly inspirational talks, Nate reveals his straightforward approach to getting past challenges.

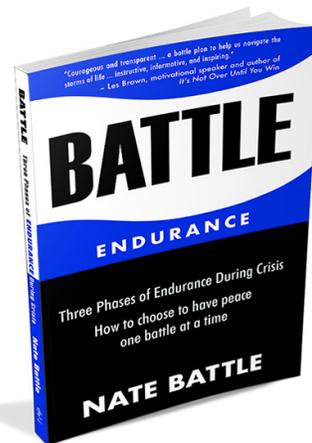

▪ **Let Go, Live Now, Win!**

Your audience will walk away with powerful insights and tools they can use to push through challenges, become more focused and fully empowered to live up to their fullest potential to achieve the success they have always desired.

Bio

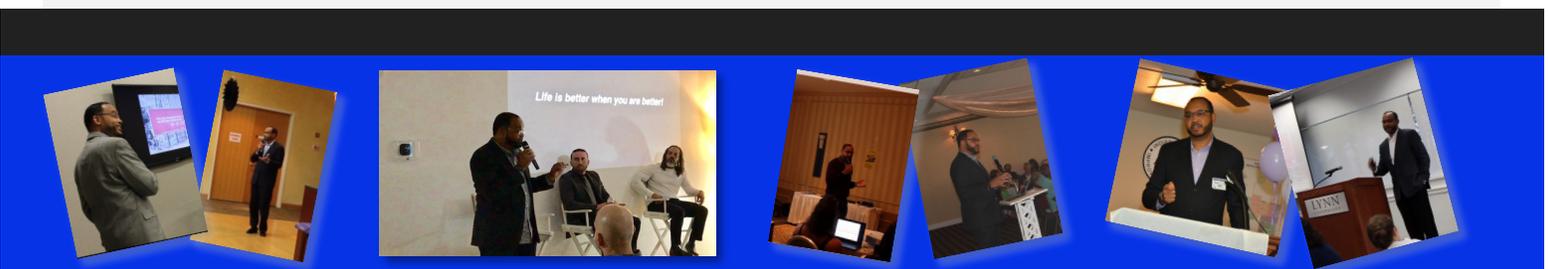

Nate is a certified Behavioral Health Coach focused on helping people achieve life harmony while in pursuit of living up to their fullest potential.

Nate authored the book, *Battle Endurance: How You Can Be Someone Who Never Quits & Gives Everything You Have to Give*. An experienced Senior Executive, Entrepreneur, Account Manager, and Consulting Professional with 30+ years of leadership & management success.

“Courageous and transparent ...a battle plan to help us navigate the storms of life ...instructive, informative, and inspiring.”

- Les Brown,
Motivational Speaker

“Nate is a phenomenal speaker; certainly knowing how to work an audience. The way he was able to mix his personal experience with humor and weave it into a motivational speech culminating in to a call to action is nothing short of remarkable.”

“Nate Battle delivers a powerful message to audiences of all ages about winning against all odds. He gives power to the voice of people facing challenges with insight and grace.”

— Charlene Farrington, Executive Director, Spady Cultural Heritage Museum

Why You Should Hire Nate for Your Event

Measurable Impact!

Engaged employees, who are passionate about what they do, perform 30-50% better.

My talks encompass a highly impactful, three-step approach your team can leverage to identify and work through challenges while igniting a passion for living up to their fullest potential.

I address, head-on, the stuff most don't want to talk about.

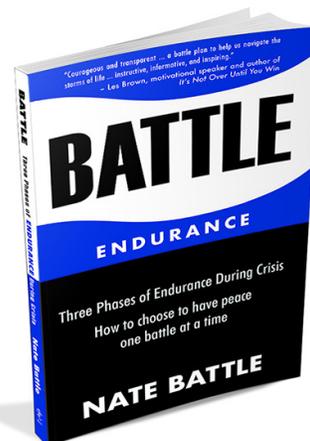

This approach will enable your team to eliminate unproductive and distracting thought patterns, creating the opportunity for behavioral shifts that result in higher performance and satisfaction.

Attendees will:

- ✓ leave re-energized and ready to engage
- ✓ have reignited passions for their respective roles
- ✓ be able to define the “why” to what they do
- ✓ gain a clear purpose and mission for their work
- ✓ be self enabled to prevent and quickly resolve conflicts

You will experience:

- ✓ measurable performance increases
- ✓ engaged employees
- ✓ improved morale
- ✓ reduced staffing issues
- ✓ self-motivated staff and more teamwork

“Courageous and transparent ...a battle plan to help us navigate the storms of life ...instructive, informative, and inspiring.”

- Les Brown,
Motivational Speaker
